GOLDEN GUARD

Choose GoldenGuard for the best protection and a lifetime warranty

*Contact your sales person for accurate pricing. † Color variation between orders is normal and not cause for rejection. ‡ Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.

SHERWIN-WILLIAMS.
Coil Coatings

Check our website to verify which colors meet ENERGY STAR® requirements for steep slope roofs.

DO NOT USE THIS DIGITAL COLOR CHART FOR COLOR MATCHING.

This digital color chart is intended to be viewed on computer monitors to show a wide range of colors available. Colors will vary depending on your computer monitor and monitor settings.

**Please ask for a physical color chart to view colors, and a metal sample for color matching purposes.

EXCLUSIVE MOISTURE BARRIER & SOUND CONTROL

ADVANTAGES OF USING BADGER BLOCK

- SAVE MONEY - No need to insulate against condensation.
- SAVES TIME - Arrives on the jobsite pre-installed on the panels.
- EASY TO CLEAN - Spray with a hose or pressure washer.
- DURABLE - Adhered to the panel for lasting performance.
- SELECTION - Available in two panel profiles.
- HELPS PREVENT CORROSION - Another layer of protection in harsh environments.
